Show Time As: Tentative

Recurrence: (none)

Meeting Status: Not yet responded

Organizer: Grisier, Mary
Required Attendees: COOPER, PAM; Rodriguez, Roberto; McWhorter, Scott; TROMBADORE, CLAIRE; Taylor, Katherine

We have received complaints from residents in Hawaii about HDOA not enforcing label language on use of glyphosate on rights of way, as well as complaints that HDOA is not adequately responding to requests for sample results from drift complaints. We want to meet to discuss their program, including results/observations from our end of year visit to HDOA. Also, to discuss possible case referrals to us from Hawaii.
